

The image displays two architectural floor plans, labeled OK-19 and OK-29, with their respective dimensions and structural details.

OK-19 (Right Plan): This plan shows a rectangular layout with a total width of 3560 and a total height of 1800. The layout includes a central corridor (70 wide) and several rooms. The rooms are defined by dimensions: 805, 80, 750, 80, 750, 80, 418, 40, and 418. The plan also shows a staircase area with a diagonal line indicating a structural element. The label OK-19 is positioned to the right of the plan.

OK-29 (Left Plan): This plan shows a rectangular layout with a total width of 1900 and a total height of 2490. The layout includes a central corridor (70 wide) and several rooms. The rooms are defined by dimensions: 1170, 70, 520, and 70. The plan also shows a staircase area with a diagonal line indicating a structural element. The label OK-29 is positioned to the right of the plan.
